

corniche desking

the corniche desking range represents a commitment to providing a range of executive furniture with the highest achievable standards of elegance and quality.

desk tops are 40mm thick with solid wood lippings all round and with bull nose profiles on the front and rear edges.

high quality materials, craftsmanship and close attention to detail is typical of the range and is exemplified by the solid sculptured wooden pen tray which is available for all corniche pedestals.

conference tables and ends, mobile or desk height pedestals, cupboards and bookcases which suite with the desking, are available to meet all requirements.
